

STATION #1

Goal

Complete mini fish-themed art challenges to practise art skills.

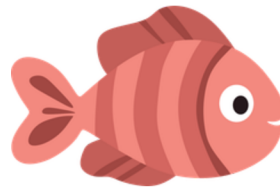

Instructions

Work through as many activities as you can

Use pencil first, then add colour

Try each section, even if you do not finish all of them

Challenge

Complete every box and add extra detail.

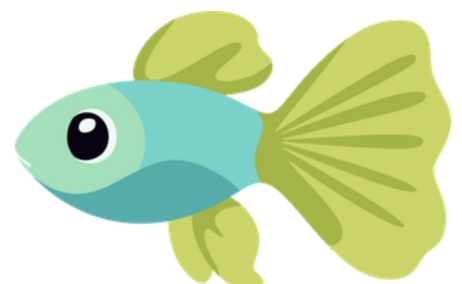

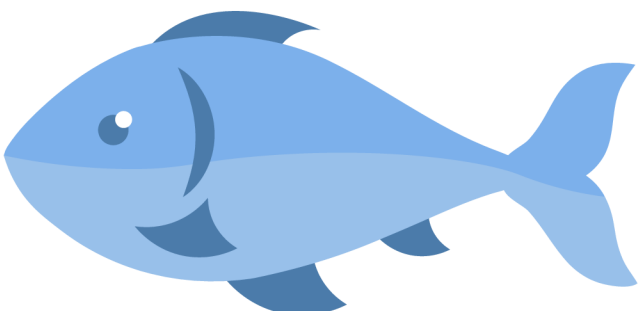

Remember

Use your best effort

Fill the spaces

Add pattern, line and colour

STATION #2

Goal

Design a strange sea creature by combining different ocean animals.

Instructions

Choose 2-3 ocean animals

Combine their body parts to create a new creature

Add patterns, textures and colour

Give your creature a name

Challenge

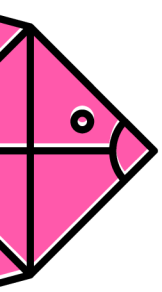

Add one special feature that helps your creature survive in the ocean

Remember

Be creative

Use clear shapes

Your creature does not need to look realistic

STATION #3

Goal

Create three folded paper fish.

Instructions

1. Follow the step-by-step folding guide
2. Fold carefully and press edges firmly
3. Decorate your fish with patterns and colour

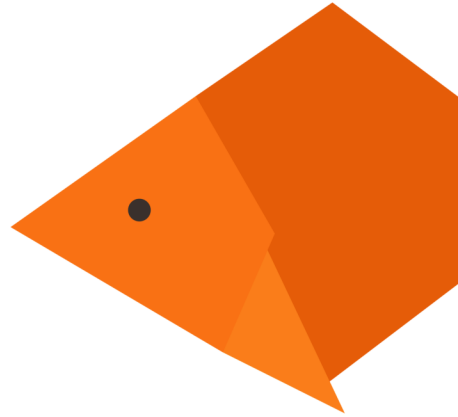

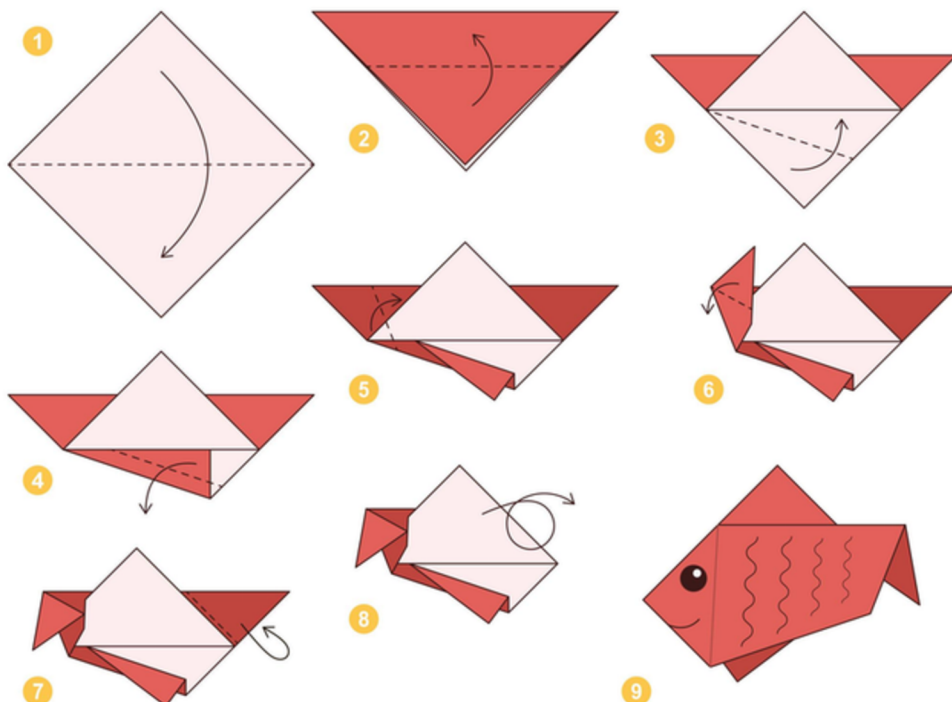

Challenge

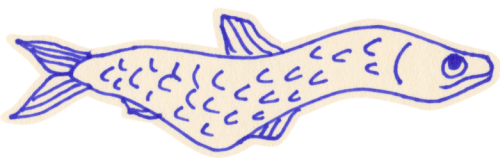

- Add details using line and pattern

Remember

- Take your time – neat folds matter!

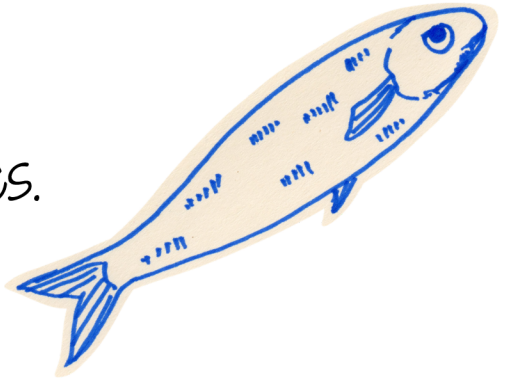

STATION #4

Goal

Create a fish using texture plates.

Instructions

1. Choose at least 4 different texture plates
2. Rub over each plate to create textures
3. Cut or draw a fish shape using your textures
4. Arrange textures to fill your fish

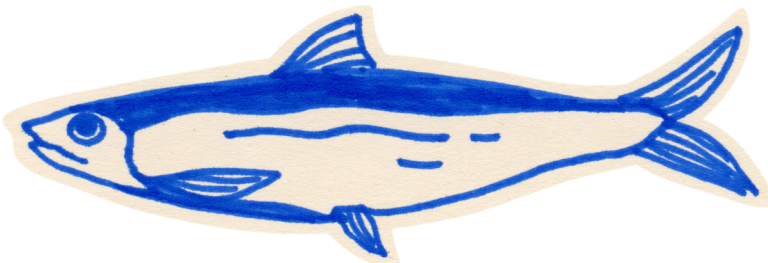

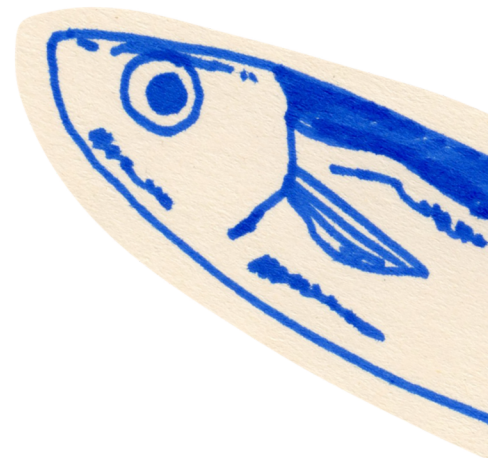

Challenge

- Combine textures to show contrast
- Add extra drawn details on top

Remember

- Press firmly when rubbing
- Keep your work neat

STATION #5

Goal

Create a jellyfish using collage materials.

Instructions

1. Cut out a jellyfish body
2. Add 6-8 tentacles using paper or materials
3. Layer and glue pieces carefully

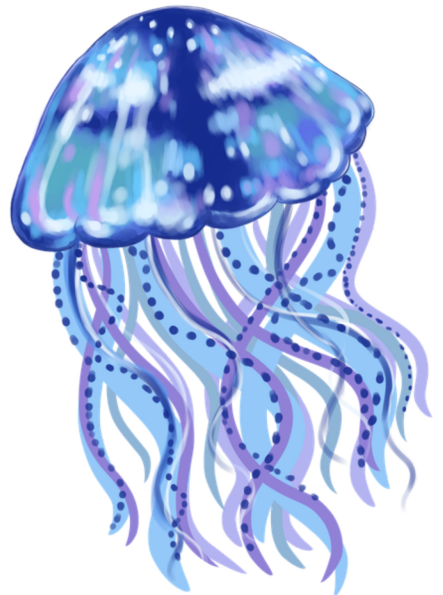

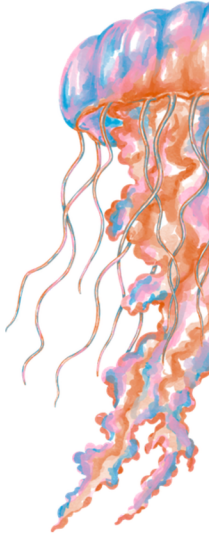

Challenge

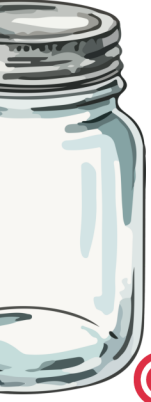

- Use at least 3 different materials
- Show movement in the tentacles

Remember

- Don't use too much glue
- Clean up scraps

STATION #6

Goal

Create a mini world inside a jar that shows your identity.

Instructions

- Choose a jar template
- Use collage materials to fill your jar
- Add images, colours, symbols and words that show who you are

Think about your hobbies, culture, family, favourite places, memories or personality

Challenge

Add one hidden symbol that represents something important to you

Remember

- Fill the whole jar
- Choose materials carefully
- Your jar should tell us something about you

STATION #7

Goal

Create a treasure map that shows parts of your identity.

Instructions

Draw an island or ocean map

Add 5 treasure locations that represent you, such as:

- something you love
- somewhere you feel safe
- a hobby or interest
- your family/culture
- something you are proud of
-

Use symbols instead of writing full sentences.

Add map details like:

- dotted pathways
- waves
- sea monsters
- compass rose
- shipwrecks
- treasure chest
- mountains or caves
-

Challenge

Add a secret "X marks the spot" that shows your most important treasure.
